THE WATER WON'T KNOW WHAT HIT IT.

16 XTR SC Sport • 16 XTR • 18 XTR • 18 XTR Troller • 20 XTR Troller

We do things a little differently.

Is Legend Canadian?

Yes. We are a **Canadian** company. We live and play where you do. We understand boating in the unique Canadian wilderness. It's different here, and that's why each and every model is designed by Canadians and built for Canadians. From thicker aluminum to full stand-up tops, we make sure that Mother Nature is no match for your Legend.

Are Legend boats built in Canada?

Yes and No. Our product developers seek out quality manufacturers throughout North America who can produce in the **most cost effective way**. By outsourcing component manufacturing and then performing all final assembly, sales, service, and warranty right here in Canada, we ensure that the end product is fit for the Great Canadian outdoors.

Are the printed catalogue prices MSRP?

No. The printed price is our **hassle-free, lowest price**. We provide it up front, so there's no need for uncomfortable negotiations. To top it off, aside from a small variance in freight, our low prices are the same across Canada. Now you can make an informed, easy, and no-pressure decision in the comfort of your own home.

It seems like everyone's warranty is pretty much the same. Is that the case?

Well, at first glance it appears that most companies are offering some sort of lifetime warranty, and it's easy to assume that all warranties are the same, but the devil is in the details. By details, we're talking about the fine print. Our **6 year WOWranty** combined with our **Lifetime** hull warranties give you the absolute best warranty coverage, bar none. Not only do we cover more stuff for longer, but the best part is that everything is taken care of right here in Canada.

Someone told me Legend boats are underpowered. Is that true?

No. You can actually power your boat with the engine of your choice. Each Legend boat model is designed and packaged with a **Mercury** motor large enough to get you and a friend on the water to experience the boating lifestyle with minimal investment. We understand that everyone's boating needs are different, and that the packaged motor may not suit your needs. That's why we make it easy to choose the perfect Mercury outboard to power all of your on-water activities. So, whether you want to troll all day, bring the kids tubing, cruise with your family or pull two water skiers, we'll help you select the engine that's just right.

Why do you only package your boats with Mercury outboards?

We partner exclusively with Mercury because of their proven quality, value, reliability, service and features. With the large number of clients we help onto the water each year in Canada, other outboard manufacturers would love us to package with their brand. Mercury appreciates our business so much, they offer us **exclusive savings that we simply pass on to you**. That's how we package with the oldest, largest, number one outboard engine brand at such an incredible price. On top of a great price, by purchasing a complete custom package you'll enjoy consistent performance and one-location servicing.

We give you the most standard equipment

We've outfitted our boats with more equipment for less. Things that you would have to pay thousands of dollars extra for with other brands are simply part of our value-packed models. Many of our Legend packages have standard features like Dura-deck vinyl floors, automatic bilge pumps, and a bunch of other great stuff that is optional in other brands. **When it comes to value, we're proud to say that nobody compares.** We have more equipment for less than any other brand!

You claim your quality is good but your prices are low. How is that possible?

You get what you pay for right? Well in most cases, yes. But at Legend, we never sacrifice quality in order to reduce cost. Our use of quality brand name products in our packages such as Shoreland'r trailers, Minn Kota trolling motors and Mercury outboards - the largest brands in boating - speak for themselves. **To keep prices low, we build fewer models in higher volumes and package each model with the same popular features.** By purchasing thousands of each component, such as full stand-up tops, fish finders and GPS', we can offer you unbelievably high quality at incredibly low prices. That's how we do it.

Why doesn't everyone put pricing in their catalogues?

That's a great question. We don't know. It could be because it takes a lot more work and effort to include all of the details required when you're sharing a price. Or, perhaps nobody else does it because they have something to hide. But we're only guessing. All we know is that we're so confident that we offer the absolute best value in Canada that we publish our complete, hassle-free, all-in pricing for all to see. You can find our prices in our full line brochure, on our extensive website and in all of our advertisements. We even print the pricing of our most popular options so you can "build" your own Legend. **Nothing is hidden and it's all in Canadian dollars.** We've done the work for you and given you our lowest price right up front.

Let us help you choose the Mercury motor that's right for you!

- 1 Decide on the performance you want and which activities interest you most: Fish, Cruise, Tube or Ski.
- 2 Each boat shows a list of motor choices with speeds, pricing and weekly payments.
- 3 Choose the motor that gives you the speed and performance you desire that overlaps the activities you want to enjoy.

Are You All-In?

CANADA'S **ONLY** FULLY-PRICED CATALOGUE

In a world where we are bombarded with fees, surcharges and extras, wouldn't it be nice if a company would just tell us what it's going to cost up front? Legend Boats is that company. Our prices are All-In!

That's right! No administration fees. No hidden freight fees. No rigging fees. Since 1987, our customers have enjoyed having our package pricing at their fingertips so they could figure out what their perfect Legend boat was going to cost right down to the penny. Now, there's no more figuring out. With one simple up-front price, you choose your motor and any options you want, then simply add the taxes. We would have gotten rid of those too but we thought it may have been frowned upon. It really couldn't get any more simple, open, honest or transparent, and we feel that you will appreciate our All-In Pricing. Using your mobile phone camera simply scan the specific QR code of the model of your choice to access all available pricing.

*We only print one version of our catalogue for all of Canada. Customers outside of Ontario and Quebec will have a small fee for freight. For details, visit us at legendboats.com for your local, ALL-IN, No-Fee Price including current promotions.

Legendary Strength

Legend .100 Gauge Hull

While most aluminum boat companies use .058 to .090 gauge thickness on comparable models, our .100 gauge hulls are up to 73% thicker! With a super-thick .100 Gauge seamless hull bottom, your Legend boat will last longer with no potential for centre-seam leaks. While our .100 Gauge hulls provide unmatched thickness, our use of 5052 H34 cold-rolled aluminum provides the best combination of flexibility and strength.

All-Welded Series Construction

All-Welded Series Transferrable Warranty

Every Legend All-Welded Series model carries our industry-leading Leakproof for Life Warranty. It is remarkably simple: it covers the entire structure of the hull against leaks through the hull for as long as you own the boat.

Intelliflex Hull Construction

Flexes and adapts to the water by dissipating energy from waves evenly throughout the hull, eliminating any chance of problem areas developing over time.

Injected Level Floatation

Not only will every Legend float even when filled with water, the injected foam creates a solid sub-floor bond that strengthens the boat and provides a silky smooth and quiet ride. Foam is injected halfway up the side-wall for extreme strength. Knock on it and see!

2-Piece Hull with No Side Seams

Eliminates a common weak area that causes side seam leaking on other welded boats.

Exclusive Comfort Ride Deep-V hull

Provides a dry, smooth and comfortable ride each and every time in all conditions provided by our sharply angled bow, deep V and reverse chines.

Interlocking Bow Ribs

Overlap the front torsion system, eliminating a common weak point on most other aluminum boats.

Solid Locking Extrusions

Hold each thick hull piece into a solid center for unmatched durability. The center extrusion is over one inch thick providing an extremely solid 1,054 gauge impact zone. This means over 5 times the protection of double plated hulls.

Torsion Beam Energy Transfer System

Provides your boat with necessary flexing, while remaining light and strong.

Thick Lifetime Decking

With a Lifetime Warranty against rotting or warping and delamination. A thicker floor with 7 individually treated layers means a stronger boat.

Reverse Angled Chines

Are bottom side edges that angle downward to create lift in the back for faster planing and increased stability.

NAVIGATOR CONSOLE

You're armed with a built in 5" Colour GPS/fish finder with navigation, Bluetooth AM/FM stereo with MP3 port and 2 speakers, a multi-gauge and switches, all illuminated for early morning and late night trips.

LIVEWELL

Aerated, tournament-size livewell, complete with separate bait bucket.

BOW CUSHIONS

Add optional bow cushions to the 16 XTR, 18 XTR, 18 XTR Troller, or 20 XTR Troller for the ultimate crossover.

FISHING SPACE

Huge casting deck. All-vinyl floors. Easy to clean: Just hose it down.

SAFE, LOCKABLE STORAGE

Side storage compartment that runs the entire length of the cockpit to keep everything from your rods to extra gear locked up and safe.

18 AND 20 XTR TROLLER: FLEXIBLE BIG-WATER BACK END

Remove the two rear jump seats to create a safe, comfortable walk-in area for those rough downrigging days on the big water. A 25" Extra-Long transom increases rough water safety.

No Fee Setup and Orientation

All of the components of your boat, motor, and trailer package have been specially chosen for compatibility. The professionals at your authorized Legend Dealership will help you select the proper motor and options for your package. They will then prepare your package to ensure proper and worry-free operation.

Side console and full windshield models:

The setup includes the following items: control box, shift cables, starting battery, aluminum propeller, outboard installation and set-up. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

Tiller models and Utility models in packages:

The setup includes the following items: outboard installation and setup, propeller, fuel tank, starting battery on packages with electric start motor or utility boat models with lights or livewells. Your dealer will prepare your package and give you a full orientation to ensure trouble-free boating from day one.

* Freight charges outside of Zone 1 (Ontario and Quebec), licenses, and taxes are extra on all prices. Delivery is available at an additional cost. Payments are calculated with licenses, bank registration charges, and taxes as your downpayment at 8.99% over 1,040 weeks for amounts \$23,000 and higher, 9.99% over 780 weeks for amounts between \$10,000 and \$22,999, and 9.99% over 364 weeks for amounts less than \$10,000 (at time of printing). All financing is OAC. Payments will vary by province. All Choose your power prices are in addition and only available with the purchase of the specific package they are listed with; they are not stand alone motor prices. Towing weights are approximate and are calculated based on a full tank of fuel and 200 pounds for batteries and gear. Speed tests were done with 2 persons, 50 pounds of gear and proper weight distribution. Actual performance may vary. Prices, rates and specifications are subject to change or error. Pictures may show options. Ask for complete details. All illustrations, photographs and specifications in this catalogue are based on the latest product information. See actual boat for complete accuracy. Legend reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on accessories, contact your local Legend dealer.

Please refer to your provincial laws regarding trailer brakes and ensure that your boat package and tow vehicle comply with the regulations in the provinces you intend to travel in. Brakes may be required in certain circumstances and can be purchased as an option or your trailer model can be upgraded before delivery if brakes are not available on certain trailers. It is your sole responsibility to ensure you comply with all provincial brake requirements for vehicles and also that you always operate your tow vehicle safely. Legend Boats accepts no responsibility with regards to provincial compliance.

At legendboats.com, you'll find a fully-priced electronic version of our catalogue as well as additional pictures and special offers. Always distribute passengers and cargo evenly, wear a PFD and follow the rules for safe boating. Visit: www.tc.gc.ca/boatingsafety

6-YEAR WOWRANTY

A warranty that makes you say **wow!**

Sure we've always had the industry's best warranties on the structural parts of our boats, like the welds, main riveted seams, pontoon tubes, decks and transoms, but what about everything else in your boat? Well, most companies offer a 1 year warranty on the other stuff and some offer up to three years. Although this is very respectable, we figured we'd double that. Legend's 6 Year WOWranty covers most other components for 6 long years. That gives you a lot of worry-free, quality, memory-makin' time.

www.legendboats.com/wowranty

3-Year Mercury Warranty

Every Mercury 4-Stroke outboard is backed by a 3-year standard limited warranty to give you peace of mind. Ask us about Mercury Product Protection to extend your Mercury Factory Warranty for up to 8 years.*

Lifetime Floor Warranty

A thicker floor means a stronger boat. With 7 layers, of marine grade plywood, each individually-treated, we can offer a lifetime warranty against rotting.*

Legend Glide-On 5+1 Year Trailer Warranty

Every Legend Glide-On trailer by Shoreland'r is backed by a 5 year frame warranty and 1-year complete tongue to tail light warranty.*

All-Welded Series Leakproof For Life Warranty

Every Legend All-Welded model carries our exciting and industry-leading Leakproof for Life Warranty. It is remarkably simple. It covers the entire structure of the hull against leaks through the hull for as long as you own the boat. In fact it's the kind of warranty you won't find on any other aluminum boat. Plus it is transferable, giving the second owner up to 10 years of protection.*

Legend ProTech 5+1 Year Canvas Warranty

Legend ProTech All-Synthetic Tear and Mildew-Resistant Material is backed by a 5 Year Warranty and guaranteed not to rot or fade for five years. Stitching, zippers, seams and other top components are covered for 1 year.*

Riveted Series Lifetime Main Seam Warranty

Each Riveted model has a Lifetime Main Seam Hull Warranty and an amazing 10 year warranty on most other hull components. This industry-leading warranty is transferable, giving the second owner up to 10 years of protection.*

Our Story

In 1968, two young friends, Vic Duhamel and Carl Dewar decided to start a business. Over the years, they sold products ranging from tires to RVs before realizing how much they loved helping people onto the water and into the boating lifestyle. There were two big issues that they found. Buying a boat was much too difficult, and there really wasn't a boat designed for the Canadian environment.

In 1986, with the goal of simplifying the ownership experience and offering a boat designed by Canadians and built for Canadians, Legend Boats was born. Vic and Carl started by creating affordable and complete boat, motor and trailer packages. They beefed up their boats with thicker aluminum and made full stand-up tops standard on every full windshield model. They wanted to make sure every Legend boat could handle the rugged Canadian climate while keeping boaters safe and comfortable.

Seven children and fifteen grandchildren later, Legend is proud to have the same owners and same focus on family values as it did nearly four decades ago when Vic and Carl decided to dedicate their lives to making it easier and more affordable to get on the water. We can't wait to welcome you to the Legend Family so that you can start creating your memories!
